

Exerilla is a white witch. Her father is a dark and dangerous warlock with an agenda to marry her to someone she despises. He has the power to do this before she reaches her majority, which will occur at Samhain, Halloween. Her mother has a plan and against her daughters will, implements that plan, which sends Exerilla into the past, where she must remain until October 31st - months away. And magic is something she cant use because her father could trace it to her. Here is the problem, plans have a way of seeping from black and white into gray.
