

Things are changing in Kathys quiet life. Just when she is settling down into her new Private Investigator practice, something happens to throw off her balance. Will she, like a cat, land on her feet? The Balance is the eleventh entry in the Salem Massachusetts Mini Mystery series. The start of this series is The Lucky Cat. These short stories are being written and loaded one a day from October 1 through October 31, 2014. All authors proceeds from this series benefit battered womens shelters. Lisa has lived in scenic Massachusetts since 1986, with only two brief forays out of state. One of Lisa's ancestors was Ann Foster, who died during the Salem Witch Trials. Ann Foster was a grandmother by that time and sacrificed herself to protect her daughter and granddaughter. Ann had been born in England, came over in 1635, and was 75 by the time of the trials. Salem reached its dark depths during those trials from 1692-1693 - but since then has healed, blossomed, and shines. It now features the amazing Peabody Essex Museum, a plethora of gorgeous historic architecture, and a beautiful coastline. Its well worth a visit. If you cant go in person, take a virtual trip through Lisas first-hand descriptions!
