

Today we are living in perilous times that the global population needs to become aware of before it's too late! People all around the world are starting to ask questions about the horrific events that are happening on a global scale, and asking themselves if these are the signs of the end of days. Therefore, in order for one to answer that question, I will need to reveal bible prophecy. We are seeing earthquakes in diverse places, severe droughts, mass animal deaths, eco-systems dying, severe storms, increase in sins, an increase in suffering, the earth's soil and water supplies are being contaminated, and we are seeing an ongoing economic failure on a global scale. So yes, these are the birth pains, and are the signs of the end of days! In fact, I have revealed everything one needs to know within this book. For example, I have answered the questions: who is the Anti-Christ, what is the mark of the beast, what are the signs of the end of days, where is Mystery, Babylon the Great, who caused the majority of the global population to sin, and will Jesus Christ return to rid this planet from its evil.
