

With the rare combination of profound psychological insight and deep spirituality that has already drawn millions of readers to his national best-sellers, including *The Seat of the Soul*, prizewinning author Gary Zukav now joins with his spiritual partner Linda Francis to help us develop a new emotional awareness that is central to our spiritual development. In *The Seat of the Soul*, Zukav brilliantly set forth his fundamental concepts, explaining how the expansion of human perception beyond the five senses leads to a new understanding of power as the alignment of the personality with the soul - authentic power. In *Soul Stories*, he showed how such concepts as harmony, cooperation, sharing, and reverence for Life express themselves in other peoples lives. Now, in *The Heart of the Soul*, he and Francis take the next major step forward in showing us the importance of emotional awareness in applying these concepts to our daily lives.
